

Virginia Breastfeeding Friendly Early Care Recognition

Professional Development Standard: Breastfeeding is supported when program staff are trained and knowledgeable about the benefits of breastfeeding, responsive feeding practices, how to promote breastfeeding and how to store and handle breastmilk. To qualify for Virginia’s BFF EC recognition, staff who care children ages 0-3 and at least one director/administrator are prepared to support and promote breastfeeding.

This form certifies that the staff named below received training to build their competency in the following content required to achieve recognition of breastfeeding friendly early care status.

Signature	Title	Date
